SEPTEMBER - 2013

ANNUAL PICNIC - JUNE 18th

A goodly number of members

enjoyed our picnic at the Camp River Wildlife Area. Guests Michael and

Suzanne Hale talked about Pipe- Up and its concerns for the Cheam Wetlands. Janet shared her concerns as well. Of course we then walked over to view those impressive bat boxes!

MEETING - May 21st, 2013

Roy Mulder of the Marine Life Conservation Society, described for us the ONLY protected marine area in Canada – Whitecliff Park. It offers educational programs and sanctuary for such species as *Glass Cloud Sponges*, *Grey Whale*, *Shark*, *Orange Coral*, and *Rock Fish*.
